Dear Families,

Well it's been another busy two weeks at Lonesome and we cannot believe that we are coming to the end of the first half term of this academic year.

Head Boy and Girl Team

This half-term has brought an exciting Head Boy and Girl recruitment process. All of our Year 6 children have designed and made a leaflet that would outline each of their special attributes, qualities and skills linked to the Head Boy and Girl job description. This leaflet had to advertise themselves as a true ambassador of the school. From all of the leaflets designed, each Head of School across the Federation chose a selected few to be interviewed by our Chair of Governors and Mrs Bull.

The children selected are looking forward to hearing children read, attending special events, deciding upon some themed menu choices and making decisions to improve the learning experiences for all children in the school. Our elected Head Boy and Girl team for this year are:

Aaima
Head Girl

Szymon
Head Boy

Aubrey
Deputy Head Girl

Sabah
Deputy Head Boy

Family Feast

Last Wednesday, was our first family feast of the year and it was so lovely to welcome the families of Livingstone Class to come along and share lunch with the children. The children were thrilled to see their families and there were some great comments about the food. We are looking forward to welcoming some of our families from Einstein Class this coming week.

Eco Warriors

We would also like to introduce our Eco Warrior Team for the year ahead. They will be working hard on areas across the school to ensure that we obtain the Green Flag distinction Award at Lonesome. They are very much looking forward to making a difference and will be inviting you all along to family events such as the 'Garden Force Day'. Watch this space!

Gather to Give

A huge thank you to all of our families who have already donated to our 'Gather to Give' table. All of these items will be donated to the Wimbledon Foodbank, who will be coming along to Lonesome on Friday to collect the foods and talk to the children about where the foods will be going. If you have not already donated, please do send in your goods by Friday.

Bedtime Reading Challenge

The children in our Reception and Year 1 classes were set the challenge to read at home every night for four weeks. In order to complete the challenge, they had to make sure that their trackers were completed and their reading journals were signed. We were really pleased with the motivation of the children who completed the challenge and so they were presented with a very special book to take home. The list of children who completed the challenge is below. A huge well done to them all!

Mrs Bull and Ms Revell

Attending school every day is essential. Any absence is a missed opportunity for learning. Our attendance target this year is **94%** Let's work together to make this happen!

Well done to a number of classes, whose attendance exceeds our target this week.
