Dear families,

Firstly, Mrs Bull and I would like to say a massive well done to our Year 6 children, who sat their SATs tests last week. We cannot tell you how proud of them we are. They have all worked so hard over the past two and a half terms and their hard work and dedication

paid off last week with how maturely they tackled the testing. They all celebrated the end of the week with a very special pizza party in both Year 6 classes.

Year 3 Trip

Year 3 had a fantastic time visiting the Science Museum last Thursday. They explored realistic models of the human body, looking closely at how muscles and organs work. They learnt about bones and x-rays and they were even able to see the inner workings of the eye! Year 3 loved taking part in games that linked to the museum's 'Who Am I?' exhibition. After a successful trip back to school on the train and tube, they were truly thrilled to have experienced such a fun Science trip.

School Uniform

Please may I remind all of our families that children should be wearing the correct school uniform at all times. The picture below shows what our summer uniform should look like. Children should have grey trousers, shorts or skirts with a white polo shirt and a red Lonesome jumper. Girls can also wear the red checked summer dresses. Shoes should be black and the children can wear black trainers. The only jewellery that children should be wearing are gold/silver studs. No hooped earring, bracelets or necklaces are allowed. If your child is not in the correct uniform, their class teacher will challenge this so please do send them in the expected uniform. Thank you.

Movie Night

It is that time in the term when your children could get a special invite to our Movie Night on the first Wednesday of next term. All they have to do is make sure that they are in school every day this coming week. We hope to see lots of the children attend this special session next term.

Pizza Party

A huge well done to Bubl  Class and Da Vinci Class who have won the Pizza Parties for the last two weeks. It has been so nice to see our Year 6 classes win these parties.

Walk and Wheel Results

We are very excited to share our results from the two week Big Walk and Wheel competition. Overall we came 167/1299 Primary Schools and achieved a ranking of 56/167 for our region. The best performing class was Livingstone, who achieved 226 sustainable journeys in two weeks. Well done everyone for this fabulous effort! Watch out for our new JTA competition coming soon.

Well done to all of our children who managed to get into school every day last week. Our attendance has looked better this week and we are particularly impressed with Da Vinci, who managed to get 100% attendance – well done!!

As always, Mrs Bull and her team will be continuing to monitor the attendance of all of our children throughout the school. Any child whose attendance drops below 92% will be monitored carefully and you could be at risk of being referred to the Educational Welfare Service. Do make sure that you are sending your child into school and if they are saying they are not well and you are not sure, please do send them in – we will always send them home if they get worse throughout the day.

Mathletics

We continue to encourage the children to complete their Mathletics tasks each week so please see what the leader board is looking like at the moment. Our Year 2's are taking the lead at the moment-we have yet to see Year 3 on this leader board. Come on Year 3!
