

BEDIFFERENT BULLETIN

Monday 3rd November 2025

Dear Families,

We hope that you have all had a wonderful half term break. It is crazy to think that we are now on the run up to Christmas. As always, we have lots of lovely plans ahead and we will be in contact with you soon to share these with you.

Cuffley

Some of the children in Year 4 had a very special start to the half-term, as they spent three days and two nights at Cuffley Activity Learning Centre in Hertfordshire. This was the first time that we had taken the children to this particular centre, after many years of taking the children to Sayers Croft. The children went along with other children from William Morris and Singlegate and they all had a truly wonderful few days.

There were a whole host of activities set up for the children such as: archery, rock climbing, crate stacking, low ropes, laser tag to name just a few. The centre also laid on a wonderful campfire evening event which included games, toasting marshmallows and singing. The children also got to sleep in their own

little pods in the middle of the woods, which they also really enjoyed. The children returned and shared their excitement of the days and I think it is safe to say we will be returning next year.

BeDifferent Bookworm Outcomes

A huge well done to all of the children in Year 1 to Year 3, who won a very special bookmark for making sure that they read at least four times a week for the whole of autumn 1. Please do make sure that you are reading with your children at least four times a week, if not every day. Reading with an adult is really important to the development of your child's reading. Once you have read with your child, please do make sure that you have signed their reading journal so that we can see that this has taken place.

You will recall that last term we invited the children in Reception and Year 1 to come in for the launch of our bedtime reading challenge. The children had to share a bedtime story with a member of their family for the whole month and record this on a reading chart. Those who were able to complete this challenge were awarded with a special certificate. A huge well done to the children who completed this challenge.

We are pleased to see that we have started the term with our attendance looking healthier than it did at the end of last term, as this was a huge concern. However, there is still a way to go so please do make sure your child is in every day, unless they are really poorly. I know that teachers would have discussed attendance concerns with you during PAR Day so if your child's attendance was discussed you must ensure that they work hard this term to increase their attendance percentage.

Pizza Parties

We are thrilled to be able to share that Mandela Class won the 100% attendance Pizza Party last half-term. This meant that the children were in every day all week. Treated to both an in-class meal filled with treats of pizza, nuggets, garlic bread and awarded with a Cadbury's Attendance chocolate bar, what more could you want? As if this wasn't enough, they spent an hour enjoying a mix of activities and board games from home. Well done!

We would like to see more classes earning this fabulous reward so come on everybody, we need you to stay fit and healthy.
