

Monday 2nd March 2026

Dear Families,

What a LOVE-ly affair it was in our Breakfast Club provision at the end of last half term. A big thank you to Miss Dearlove and her team for a fun-filled event.

Well done to our gymnasts, who took part in the borough development competition last half term. Thank you to Mrs Morley for choreographing the routines. We are very proud of all of the children.

Mitcham Petting Zoo visit Year One

To celebrate the end of their 'Paws, Claws and Whiskers' project, the children delighted in welcoming the team from Mitcham's petting zoo. The children were able to handle and enjoy a close-up experience with a variety of different exotic animals. They were very brave!

A big THANK YOU to Charlie's mum (Southwark Class) who has been busy creating a number of additional home-made sensory tools for the children to use to support their regulation in Year Three.

Multi Skills in Year Three and Four

It's been a busy time of sporting success recently in school, as our children have competed against other schools in borough events.

Tag Rugby – Federated fun

Children in Years Five and Six put their skills to the test, as they took on competitors from William Morris and Lonesome Primary School.

London Mozart Players at Singlegate

We welcomed Amy and Will to our most-recent staff development session and delighted in performances, as well as the opportunity to reflect on how music can continue to be integrated through our daily practice. Children in Upper Key Stage Two will enjoy a classical ensemble next week with the chance of composing their own piece in small groups.

Well done to our BeDifferent Bookworms, who achieved their half termly book mark award as a result of their efforts in reading!

All Booked Up on Thursday 5th March!

Don't forget to come to school in your PJ's or dressed as a book character (EYFS/KS1)
