VE Celebrations

Our Year 6 children marked the 80th anniversary of VE Day with a thoughtful and memorable celebration in school. The children were reflecting on the courage and sacrifice of those who fought in WWII. The day was made more special with a themed lunch.

Science Museum

The children in Year 4 enjoyed a fabulous time visiting the wonderful Science Museum which linked nicely to their 'Connect More' Science themed day. The children enjoyed a live show which inspired their curiosity in the field of science.

Playground Activity Leader's

Our PAL's have been working hard to think of more sporting games for the children to engage in, across the lunchtime period. They have focused their time in supporting play ideas and games with our younger children over the last couple of weeks.

Don't forget to bring your child in with a sun hat and apply sun protection, ahead of them coming to school when the weather is hot!
