AUTUMN TERM 2 Objectives *I'm a Survivor* Year 6

Knowledge Outcomes

Ernest Shackleton lead the 'Endurance' expedition from 1914-1916 and he failed to reach the South Pole.

Antarctica is the world's only uninhabited continent.

The 8 countries that make up the Arctic circle are: Norway, Iceland, Russia, Canada, USA, Denmark (Greenland), Finland and Sweden.

When it is the summer in the North Pole, it is winter in the South Pole and vice versa.

Challenge: The Arctic Circle is a line of latitude at 66.5 degrees north of the equator and the Antarctic Circle is a line of latitude at 66.5 degrees south.

Understanding of the World

GEOGRAPHY:

Locate some of the world's countries, including Russia, concentrating on their environmental regions, key physical and human characteristics, countries and major cities.

Identify the position and significance of lines of latitude and longitude, the Prime / Greenwich Meridian and time zones (including day and night).

SCIENCE: Evolution and inheritance

Recognise that living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago
Recognise that living things produce offspring of the same kind, but normally offspring vary and are not identical to their parents

Identify how animals and plants are adapted to suit their environment in different ways and that adaptation may lead to evolution

COMPUTING: i-Network

Design, write and debug programs that accomplish specific goals, including controlling or simulating physical systems; solve problems by decomposing them into smaller parts

Use logical reasoning to explain how some simple algorithms work and to detect and correct errors in algorithms and programs

Understand computer networks including the internet; how they can provide multiple services, such as the World Wide Web; and the opportunities they offer for communication and collaboration

Expressive Art and Design

ART & DESIGN: Painting

Apply varied brush techniques and use a range of paints to create visually interesting pieces.

MUSIC: Composition

Extend improvisation skills through working in small groups.

Create music with multiple sections that include repetition and contrast

Use chord sequences as part of an improvisation
