

Knowledge Outcomes

London is the capital city of England. England, Wales, Scotland and Northern Ireland are the four countries of the United Kingdom.

Some key London landmarks include: Big Ben, Buckingham Palace, London Eye, Tower of London, Houses of Parliament and the Shard.

The River Thames flows through London. The climate in London is temperate.

Challenge: The UK is in the continent Europe.

English / Mathematics

Included on termly Success and Challenge cards

Strength Lies in Difference

Children to understand what it means to be different and what makes them different from others.

- Children to be familiar with these key terms and understand what they mean: Identity, Race, Ethnicity
- Children to understand that Queen Charlotte was from a black branch of the Portuguese Royal family.
- Children to understand what made Queen Charlotte different from previous Queens and the affect that her being a different ethnicity and in the minority from the majority of those around her, had on her life as a Queen.
