WALT understand the impact of certain beliefs on a Hindu's life.
WALT start to express my own views about life after death.
WALT compare Hindu and Christian beliefs relating to life after death and tell you how these make a difference to believers' lives.
WALT express our own views about Hindu beliefs and whether they make sense to us or not.

SUMMER TERM 1 Activities Green Fingers Year 5

Knowledge Outcomes

How do the life cycles of living things differ? Can you give examples?
Can living things, including plants, animals, and micro-organisms, thrive in different environments. Can you give examples?
What do plants and animals need to do to continue to survive through generations.
What is pollination?

Challenge

What can affect the life cycles of similar species in different places?

Engage: Caterpillar life
Express: Mystery Map Challenge

Understanding of the World

GEOGRAPHY:

WALT use fieldwork to observe, measure, record and present the human and physical features in the local area using a range of methods, including sketch maps, plans and graphs and digital technologies
WALT name and locate counties and cities of the United Kingdom, geographical regions and their identifying human and physical characteristics, key topographical features (including hills, mountains, coasts and rivers), and land-use patterns; and understand how some of these aspects have changed over time
WALT describe and understand key aspects of human geography, including: types of settlement, land use, economic activity and the distribution of natural resources

SCIENCE: Living Things and their Habitats

WALT describe the differences in the life cycles of a mammal, an amphibian, an insect and a bird
WALT describe the life process of reproduction in some plants and animals.

COMPUTING: iAlgorithm

WALT solve problems by decomposing them into smaller parts
WALT use logical reasoning to explain how a simple algorithm works and to detect and correct errors in algorithms and programs

Mathematics

Please see termly Success and Challenge cards

Expressive Art and Design

DESIGN AND TECHNOLOGY:

WALT prepare and cook a variety of predominantly savoury dishes using a range of cooking techniques
WALT select from and use a wider range of materials and components, including construction materials, textiles and ingredients, according to their functional properties and aesthetic qualities
WALT use research and develop design criteria to inform the design of innovative, functional, appealing products that are fit for purpose, aimed at particular individuals or groups

MUSIC:

WALT improvise and compose music for a range of purposes using the inter-related dimensions of music
