

Engage: David Attenborough documentary-The Frozen planet
Express: trip to the Science Museum to watch a 3D film about Antarctica

English / Mathematics

Please see the objectives in the autumn term success and challenge cards

Strength Lies in Difference

WALT understand the strategies needed to be anti-racist
WALT be familiar with these key terms and understand their meaning: Discrimination, Wealthy, Society, Perception, Stereotype, Heritage, Ethnicity, Identity, Justice, Injustice, Activism, Prejudice.

Physical Development

Dance:
WALT repeat some sequences of movements relating to a stimulus
WALT create some complex sequences of movements in response to a stimulus
Football:
WALT use teaching points to pass effectively
WALT use teaching points to shoot effectively
WALT use knowledge of technique to suggest ways for peers to improve

Languages

Houses
WALT compare French and English houses
WALT learn nouns for rooms in a house
WALT orally describe a house and a room
WALT read descriptions of rooms in a house
WALT write a description of a house
WALT say what you might do in the different rooms of a house

Personal, Social and Emotional Development

PSCHE: How do friendships change as we grow?

WALT understand that people have different kinds of relationships in their lives, including romantic or intimate relationships
WALT understand how friendships may change as they grow and how to manage this.

R.E.: How do Hindus celebrate their faith?

WALT understand the festivals in Hinduism:
Holi
Raksha Bandhan
Navarathri, Dessera and Shivarathri
WALT understand that Hindus mark stages in life through special ceremonies such as birth, marriage and initiation ceremonies
WALT understand the values important to Hindus:
- the importance of the extended family
- community
- upholding religious values and rituals in the home

AUTUMN TERM 2 Activities *I'm a Survivor* Year 6

Knowledge Outcomes

Who lead the 'Endurance' expedition from 1914-1916?

**Which is world's only uninhabited continent?
What are the 8 countries that make up the Arctic circle?**

Can you compare the difference between the North and South poles at the same and different times of the year?

Challenge: What are the longitude and latitude of the Arctic and Antarctica?

Understanding of the World

GEOGRAPHY:

WALT locate some of the world's countries, including Russia, concentrating on their environmental regions, key physical and human characteristics, countries and major cities.
WALT identify the position and significance of lines of latitude and longitude, the Prime / Greenwich Meridian and time zones (including day and night).

SCIENCE: Evolution and inheritance

WALT recognise that living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago. WALT understand that living things produce offspring of the same kind, but normally offspring vary and are not identical to their parents.
WALT how to identify how animals and plants are adapted to suit their environment in different ways and that adaptation may lead to evolution.

COMPUTING: i-Network

WALT design, write and debug programs that accomplish specific goals, including controlling or simulating physical systems; solve problems by decomposing them into smaller parts
WALT use logical reasoning to explain how some simple algorithms work and to detect and correct errors in algorithms and programs
WALT understand computer networks including the internet; how they can provide multiple services, such as the World Wide Web; and the opportunities they offer for communication and collaboration

Expressive Art and Design

ART & DESIGN: Painting

WALT apply varied brush techniques and use a range of paints to create visually interesting pieces.

MUSIC: Composition

WALT extend improvisation skills through working in small groups.
Create music with multiple sections that include repetition and contrast
WALT use chord sequences as part of an improvisation
