

Knowledge Outcomes

The 7 continents in the world are: Europe, Asia, Africa, Oceania, South America, North America and Antarctica.

The equator is an imaginary line that runs around the middle of the earth.

The Amazon rainforest is in the continent South America.

Jungles are located near the equator.

Challenge:

The countries close to the equator are the hottest because they are close to the sun.

English / Mathematics

Please refer to the autumn term Success and Challenge cards

Physical Development

Health Related Education

WALT: Show an awareness of how the body functions/changes during exercise

WALT: Repeat and Perform sequences of movements

WALT: Display development in the FUNdamentals of movement (Jog, Sprint, Jump, Hop, Weight on Hands, Balance & Coordination)

WALT: Develop ability to exercise at different intensities
