

Knowledge Outcomes

The Maya civilisation thrived in Mexico and Central America for over 2000 years. The Maya believed in many different gods and made regular offerings to them. The Maya society was hierarchical, with the king at the top and slaves at the bottom. Maize and cacao beans were two important and precious foods to the Maya. Chichen Itza was one of the largest cities built by the Ancient Maya. Historians cannot agree why the Maya civilisation ended but ideas include drought, crop failure, disease and warfare.

Strength Lies in Difference

Children to understand the importance of being familiar with positive role models that are from a variety of backgrounds and experiences.

Children to understand the importance of heritage and how their heritage and that of others is something to be celebrated.

Physical Development

Health Related Education

WALT Use knowledge of the relationship between the body and exercise to improve various fitness components

WALT Utilise knowledge of technique to perform at an optimum level in different types of throw, jump and run

Football

WALT Display an understanding of fair play, working well with others and leading a medium sized group

WALT Field, defend and attack tactically by anticipating the direction of play

WALT Utilise new skills in competitive situations, as an individual or part of a team

WALT Learn to pass effectively

WALT Learn to shoot effectively

Personal, Social and Emotional Development

PSCHE: Relationships

What makes up a person's identity?

WALT Learn how to recognise and respect similarities and differences between people and what they have in common with others

WALT Know that there are a range of factors that contribute to a person's identity (e.g. ethnicity, family, faith, culture, gender, hobbies)

WALT Learn about stereotypes and how they are not always accurate, and can negatively influence behaviours and attitudes towards others

WALT Know how to challenge stereotypes and assumptions about others

R.E.: What is faith and does it make a difference?

Pupils should learn:

- what the word 'faith' means in a religious sense
- the importance of religious faith in the well-known figures from history and now
- how faith is shown in action
- how and why choices are made
- moral decisions and their impact
- the influence of faith on other people in society
- how relevant faith is today

AUTUMN TERM 1 Activities Mayan Mysteries Year 5

Languages

My school, my subjects

WALT Say adjectives to describe feelings and make an extended sentence to explain feelings.

WALT Say and explain emotions in simple dialogues

WALT Understand how to give simple information about someone in the third person singular (he is called..)

WALT Know at least 5 school subjects nouns

WALT Say sentences about opinion of a school subject

WALT Take part in a class survey about fruit and vegetables preferences.

English / Mathematics

Please see termly objectives on the Success and Challenge cards

Understanding of the World

History:

WALT Learn about a non-European society that provides contrasts with British history – Mayan civilization c. AD 900

Science: Materials

WALT Compare and group together everyday materials on the basis of their properties, including their hardness, solubility, transparency, conductivity (electrical and thermal), and response to magnets

WALT Know that some materials will dissolve in liquid to form a solution, and describe how to recover a substance from a solution

WALT Use knowledge of solids, liquids and gases to decide how mixtures might be separated, including through filtering, sieving and evaporating

WALT Give reasons, based on evidence from comparative and fair tests, for the particular uses of everyday materials, including metals, wood and plastic

WALT Demonstrate that dissolving, mixing and changes of state are reversible changes

WALT Explain that some changes result in the formation of new materials, and that this kind of change is not usually reversible, including changes associated with burning and the action of acid on bicarbonate of soda

Computing: E-Safety

WALT Explain why personal information should only be given to trusted sources

WALT Know that some information on the Internet may be misleading or inaccurate and know how to check this

WALT Use technology and online services to communicate and collaborate

WALT Identify some of the risks associated with online communication and know how to take steps to minimise these

WALT Give examples of good and bad behaviour online

WALT Understand the different ways people can be bullied online

Expressive Art and Design

Art: Drawing

WALT Experiment with shading and perspective to create form and texture.

WALT Know that a short, hard line gives a different feeling to a more flowing one.

Music

WALT Listen with attention to detail and recall sounds with increasing aural memory.

WALT Appreciate and understand a wide range of high-quality live and recorded music drawn from different traditions and from great composers and musicians.
