

Knowledge Outcomes

The oceans in the world are: Atlantic, Pacific, Southern, Indian and Arctic.

The physical features of a coastline are: arch, beach, cliff, coast and island.

The human features of a coastline are: lighthouse, pier and harbour.

Animals found in a rock pool include: crab, starfish, limpets, mussels and anemones.

Challenge: A stack is formed by costal erosion.

Strength Lies in Difference

Children to be familiar with these key terms and understand their meaning: Identity, Race, Diverse, Ethnicity, Minority, Majority, Responsibility, Values and Stereotype

Children to understand that Mary Seacole set up her own hospital when her offers to help were rejected.

Children to understand why her achievement was so special and why the fact she was different to those on positions of power made it harder for her.

English / Mathematics

Please see separate termly Success and Challenge cards

Physical Development

Sports day practise

Throw and catch displaying competency, in isolation and in varied environments

Demonstrate changes of direction, speed & level during performances or in competitive environments

With guidance participate displaying respect, fair play and working well with others

Personal, Social and Emotional Development

PSCHE: What helps us grow and stay healthy?

Learn that different things help their bodies to be healthy, including food and drink, physical activity, sleep and rest

Know that eating and drinking too much sugar can affect their health, including dental health

Learn how to be physically active and how much rest and sleep they should have everyday

Understand that there are different ways to learn and play; how to know when to take a break from screen-time

Learn how sunshine helps bodies to grow and how to keep safe and well in the sun

R.E.: How special is the relationship Jews have with God?

Understand that Jews believe in a special relationship they have with God and the promises they make to each other.

Explain why agreements are important and why they should be kept.

Learn stories about Abraham or Moses and say why one of these men is important to Jews today.

Explain the significance of one thing Jews do and say how it shows their special relationship with God.

Summer term 1 Objectives Beach Combers – Geography theme Year 2

Express:

Understanding of the World

Geography: Coastal features

Name and locate the world's five oceans.

Use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features; devise a simple map; and use and construct basic symbols in a key.

Use basic geographical vocabulary to refer to key physical features, including: beach, cliff, coast, sea, ocean

Use basic geographical vocabulary to refer to key human features, including: port, harbour

Science: Animals including humans

Notice that animals, including humans, have offspring which grow into adults

Find out about and describe the basic needs of animals, including humans, for survival (water, food and air)

Describe the importance for humans of exercise, eating the right amounts of different types of food, and hygiene.

Computing: iDoMail

Understand that messages can be sent electronically over distances

Understand that messages can be sent electronically over distances and that people can reply to them

Understand that messages can be sent electronically over distances and that people can reply to them

Understand that communication can be images, sound and text

Expressive Art and Design

Design and Technology

Design purposeful, functional, appealing products for themselves and other users based on design criteria

Select from and use a wide range of materials and components, including construction materials, textiles and ingredients, according to their characteristics

Music: History of music

Listen to a range of modern classical pieces.

Consider how modern classical music makes us feel.
