Barriers to future attainment

In-school barriers (issues to be addressed in school, such as poor oral language skills)

The impact of negative attitudes towards education on attendance and attainment. The language barriers of families recently arrived in the UK and their ability to support their children.

Internal assessment and observations of children indicates under-developed oral language skills and vocabulary gaps among disadvantaged groups.

Ongoing monitoring of the access and use of the Google Classroom reflects the challenges for families in accessing home learning tasks confidently.

Internal assessments indicate that there is a gap between pupil premium and non-pupil premium children making accelerated progress in Mathematics.

External barriers (issues which also require action outside school, such as low attendance rates)

Ability of parents being able to support their children's learning at home (home language/long work hours/understanding of present curriculum)

Mobility of families

In-year admissions: Pupil Premium children and children with English as their second language often join as in-year admissions. They are often below ARE on entry to the school.

Desired outcomes (Desired outcomes and how they will be measured)

Children form and maintain positive relationships with peers and staff.

Children interact confidently in a variety of situations in school.

To achieve and improve sustained wellbeing for all children in the Federation, particularly our disadvantaged group.

All Pupil Premium children achieve Early Learning Goals for Personal, Social and Emotional Development (Reception).

Make progress towards achieving the ELGs (Nursery).

Improved oral language skills and vocabulary in a range of extra-curricular activities.

Participate fully and confidently in a range of extra-curricular activities

Improve the opportunities for GLD target will be met for all children but developing a wider vocabulary specifically our disadvantaged children. in order to support the children's reading and writing Rapid Recovery reading groups will skills in the Foundation Stage support improved early reading skills and acquisition of language. in order to increase the percentage of children achieving the Good Level of Development.
