

SINGLEGATE PRIMARY SCHOOL Pupil Premium 2024-2025

Singlegate Primary School
Free school meals: 24.4%
Pupil Premium: £186,080

Singlegate Primary School			
ICT	£10,000		
Reading/Mathematics resources	£4,000		
Resources for PP children/topic	£5,000		
weeks			
Family support worker	£16,000		
Easter school staff costs	£3,000		
Snacks/day visits	£2,810		
One to one tuition	£45,000		
Swimming subsidy	£4,475		
Music lessons	£4,200		
Educational Psychologist	£5,700		
Language & Behaviour for Learning	£6,100		
Support			
Support staff	£67,000		
Play Therapy	£1,000		
French/Sayers Croft residential and	£8,000		
school visits			
Purchase of decodable phonics	£1,000		
scheme			

	Barriers to	future attainment	
arriore	(issues to	be addressed in sc	hool ci

In-school barriers (issues to be addressed in school, such as poor oral language skills)

The impact of Covid-19 on children's attendance and attainment. Many of our disadvantaged children have been impacted by partial school closures to a greater extent than for other children. Although not a significant concern in such a disrupted period of two years, attendance for disadvantaged pupils was slightly lower than non-pupil premium peers. Internal assessment and observations of children indicates under-developed oral language skills and vocabulary gaps among disadvantaged groups. Ongoing monitoring of the access and use of the Google Classroom reflects the challenges for families in accessing home learning tasks confidently. Internal assessments indicate that there is a gap between pupil premium and non-pupil premium children making accelerated progress in Mathematics.

External barriers (issues which also require action outside school, such as low attendance rates)

Ability of parents being able to support their children's learning at home (home language/long work hours/understanding of present curriculum) Mobility of families

In-year admissions: Pupil Premium children often join as in-year admissions. They are often below ARE on entry to the school.

Desired outcomes (Desired outcomes and how they will be			
	measured)		
Children form and maintain positive relationships with peers and staff.	All Pupil Premium children achieve Early Learning Goals for Personal, Social and Emotional Development (Reception).		
Children interact confidently in a variety of situations in school.	Make progress towards achieving the ELGs (Nursery).		
To achieve and improve sustained wellbeing for all children in the Federation,	Improved oral language skills and vocabulary in a range of extra-curricular activities.		
particularly our disadvantaged group.	Participate fully and confidently in a range of extra-curricular activities		

Improve the opportunities for developing a wider vocabulary in order to support the children's reading and writing skills in the Foundation Stage in order to increase the percentage of children achieving the Good Level of Development.GLD target will be met for all children but specifically our disadvantaged children. Impact of NELI programme measured over time.Higher rates of progress (accelerated) in reading, writing and Mathematics for Pupil Premium childrenGap narrowed between Pupil Premium and non-Pupil Premium due to PP children making accelerated progress. Due to Covid-19, performance measures have not been published for 2020 to 2021, and 2020 to 2021 results will not be used to hold schools to account. Given this, please point to any other pupil evaluations undertaken during the 2020 to 2021 academic year, for example, standardised teacher administered tests or diagnostics assessments such as rubrics or scales.
