## Reception Homework Projects

### Autumn 2

#### ART & DESIGN

Can you create an autumn animal collage using natural materials?

#### MATHEMATICS

Go on a leaf hunt.

Can you create a pictogram to show how many green, red, yellow and brown leaves you have found?

#### ENGLISH

Use pictures and attempt to write some words to make your own woodland animal story. Who are the characters?

Can you describe the setting?

Do the events make sense?

#### MUSIC

Listen to the sounds you can hear in woodlands.

Can you make a clapping/imitating the sounds music pattern inspired by it?

Share with the class on your sharing day

#### Understanding of the world

Research which animals live in the woods? Learn an interesting/funny fact about some of them.

#### Technology

Use a camera to snap your autumn leaf hunt.

Print out a photo of yourself and all the leaves, conkers and twigs you have gathered.
